

Dear Principals and teachers,

**Invitation to the Announcement and Welcome Reception for
The Third Cohort of “InnoPower@JC: Fellowship for Teachers”**

Happy New Year! We are pleased to tell you that 16 teachers and their team from secondary and primary schools across Hong Kong have been selected to join “InnoPower@JC: Fellowship for Teachers” (the Fellowship) as Teacher Fellows of the Third Cohort. The Fellowship aims to nurture the innovative capacity of teachers and support their initiatives to innovate in education. Please refer to the attachment or visit our website (<https://jcinnopower.hk/teachers>) for the list of selected teachers.

An Announcement and Welcome Reception will be held to celebrate the start of their change-making journey, spread their passion in education, and build a community of educators and stakeholders. You and your team are cordially invited to join this special occasion. Please find the details as follows:

Date: 25 January 2019 (Friday)
Time: 5:00p.m. – 7:00p.m.
Venue: 5/F, Happy Valley Stand, Happy Valley Racecourse, Hong Kong

At the event, the latest cohort of Teacher Fellows will be introduced on stage and will share their innovative ideas and dreams in education. Our final judging panel will share their experience and observation on the selection process and the insight of education innovation in the Hong Kong with our Teacher Fellows.

We hope you will be able to attend this event to give our Teacher Fellows your support and encouragement. It will be an informal occasion where you will connect with like-minded educators and stakeholders and, with your help, will become the start of a new community of positive change makers in the education sector.

Additional details about the event, together with a route map to the venue, are enclosed. Please RSVP online: https://jcinnopower.hk/teacher_workshop/. If you have any questions, please contact us by email to teacherfellows@ednovators.com or call us on 5460 5829.

We look forward to seeing you on 25 January 2019!

Yours sincerely,
